

Instructions for the return of your application

If your form opens a box like the one below, please follow the instructions to complete.

A screenshot of a Windows-style dialog box titled 'Select Email Client'. The dialog box has a light blue title bar with a close button (X) in the top right corner. The main content area is white and contains the following text: 'Please indicate the option which best describes how you send mail.' Below this, there are two radio button options. The first option is 'Desktop Email Application', which is selected with a blue radio button. Below it, the text reads: 'Choose this option if you currently use an email application such as Microsoft Outlook, Eudora, or Mail.' The second option is 'Internet Email', which is unselected. Below it, the text reads: 'Choose this option if you currently use an Internet email service such as Yahoo or Microsoft Hotmail. You will then need to save your form and return it manually to info@carolinaearthmovers.com using your Internet email service.' At the bottom left, there is a checkbox labeled 'Don't show again' which is currently unchecked. At the bottom right, there are two buttons: 'OK' and 'Cancel'.

If you do not have the pop up box below on the application form once it opens, fill out the form & save it to your computer. You will need to manually email it to info@carolinaearthmovers.com using your desktop or internet email service.
